

JCCA 2024 WA NATIONAL RALLY in PERTH

Planned Program

Contact: Don Sutherland 0402 073 582

There is just so much to see and do in Perth and surrounds, and for our first ever WA National Rally let us make this a BIG event! The National Rally will be based at the fabulous Pagoda Resort and Spa on the banks of the Swan River in Como.

Noting that many members will have driven some distances, including those crossing the Nullarbor in their trusty Jensens, the driving on the event will be an optional short drive to Whiteman Park Motor Museum and Historic Village then on to the Abbey Restaurant for lunch in the Swan Valley, or a tour of Perth/Elizabeth Quay on the Saturday, with a short drive to the Show and Shine adjacent to the Fremantle Prison on the Sunday.

And for those wishing to explore Western Australia there is a post National Rally tour – please express your interest when you fill in your registration form. This tour will be based in the one hotel for three nights in Busselton exploring Busselton and Margaret River region.
